Our Approach

To provide the mitigation strategies that will reduce both the length of time a loss continues and its financial impact, we combine the following:

1. An in-depth knowledge of each industry sector
2. Practical understanding of the claims process
3. Broad comprehension of all elements of an insurance policy
4. The relationship with our adjusting colleagues.

McLarens Forensic Accounting has expertise in the following lines of business:

- Advanced loss of profits
- Bankers bond
