vrs VietAdjusters JSC has been named Vietnam Best Adjuster of the Year in InsuranceAsia News (IAN)'s Country Awards for Excellence 2025.

The award reflects continued recognition of vrs VietAdjusters' technical capabilities and leadership in complex loss adjusting. vrs VietAdjusters is proud to be the first – and so far, the only – loss adjusting firm in Vietnam to receive an international award of this caliber.

In fact, the company has earned not just one, but two prestigious international awards in 2025 alone, a rare milestone that underscores its reputation and performance on a regional level.

This latest accolade further reinforces vrs VietAdjusters' standing as a premier choice for handling major and complex losses in the Vietnamese insurance market. It highlights the company's commitment to international standards, deep local insight, and ethical practice.

A key differentiator of vrs VietAdjusters lies in its technical strength and professional qualifications.

The firm is proud to have six Chartered Loss Adjusters (CLAs) – accounting for more than 50% of all CLAs in Vietnam. Among them, five are Fellows of the Australasian Institute of Chartered Loss Adjusters (AICLA), accounting for 100% of all AICLA Fellows currently based in Vietnam.

"Our people are our greatest asset," said a company representative.

"This recognition from IAN, following our earlier award from Insurance Asia Awards in Singapore, is a testament to the trust of our clients and the unwavering commitment of our team."

As part of vrs Adjusters – one of the world's top three loss adjusting networks – the firm continues to invest in technical training, regional cooperation, and digital transformation to better serve both local and international clients.

vrs VietAdjusters reaffirms its position as a trusted partner for insurers seeking expertise, integrity, and professionalism in loss adjusting services.
